

# SVIM 2024 Agenda

## WEDNESDAY, OCT 16

		LOCATION
5:00 – 7:00 PM	Welcome Reception & Happy Hour (Optional)	4th Floor Pool Deck

## THURSDAY, OCT 17

7:00 – 8:00 AM	Breakfast (Provided)	Confluence Ballroom
8:00 – 8:50 AM	Conference Keynote Session I	Confluence Ballroom
9:00 – 11:15 AM	Origins I: Advanced Models & Omics Approaches in Single Ventricle Etiology	Confluence Ballroom
11:30 AM – 12:30 PM	Concurrent Breakout Sessions I	
	New Frontiers in Single Ventricle Gene Regulation	Lawrence A
	Challenges and Solutions: Optimizing candidacy and outcomes in Single Ventricle Heart Transplantation	Curtis
	Resilience from bench to bedside and beyond	Welton
	Single Ventricle Heart Anatomy - HiPCT x SVD: Creating detailed 3D Maps of SVD across the lifecourse through HiP-CT	Lawrence B
	Arrhythmias in Single Ventricle Patients	Blake
12:30 – 2:00 PM	Lunch (Provided)	Mezzanine Foyer
1:00 – 2:00 PM	Lunch & Learn: Writing Effective Proposals	Lawrence A
2:00 – 3:25 PM	Care I: Therapeutics for Sequelae	Confluence Ballroom
3:35 – 5:00 PM	Cures I: Bionic and Mechanical Approaches	Confluence Ballroom
5:00 – 6:00 PM	Panel Discussion: Registry Roadmap	Confluence Ballroom
6:00 – 7:00 PM	Information Fair & Happy Hour	Mezzanine Foyer

## FRIDAY, OCT 18

7:00 – 8:00 AM	Breakfast (Provided)	Mezzanine Foyer

## (FRIDAY, OCT 18)

		LOCATION
8:00 – 9:20 AM	Conference Keynote Session II	Confluence Ballroom
9:30 – 11:15 AM	Outcomes I: Etiology of Outcomes	Confluence Ballroom
11:30 AM – 12:30 PM	Concurrent Breakout Sessions II	
	Development of biobanking and biomolecular data banking strategies to accelerate translational research in single ventricle heart disease	Curtis
	The Path to Biventricular Repair: Challenges and Innovations to Prevent LV Heart Failure in Hypoplastic Left Heart Complex Patients	Blake
	Human-Based Models of Single Ventricle Defects	Lawrence A
	Mechanical Support Option for failing Fontan Physiology	Lawrence B
	What defines heart failure in single ventricle patients?	Welton
12:30 – 2:00 PM	Lunch (Provided)	Mezzanine Foyer
1:00 – 2:00 PM	Lunch & Learn: Increasing the physician-scientist pipeline in single ventricle research	Lawrence A
2:00 – 3:40 PM	Origins II: Mechanisms Underlying Single Ventricle	Confluence Ballroom
4:00 – 5:00 PM	Care II: Biomarkers of End-Organ Function	Confluence Ballroom
5:00 – 7:00 PM	Poster Session (with Happy Hour & Hors d'oeuvres)	Platte River
7:00 – 9:00 PM	Evening Reception & Dinner	Confluence Ballroom
7:30 – 8:20 PM	Great Debate: IV Palliation or Neonatal Heart Transplant?	Confluence Ballroom

## SATURDAY, OCT 19

7:30 – 8:30 AM	Breakfast (Provided)	Mezzanine Foyer
8:30 – 9:55 AM	Outcomes II: Risk Factors of Outcomes: Modifiable & Non-Genetic	Confluence Ballroom
10:15 – 11:15 AM	Cures II: Pathways to Curative Solutions	Confluence Ballroom
11:30 AM – 12:30 PM	Closing Session: Future of Single Ventricle Science & Medicine	Confluence Ballroom
12:30 – 2:00 PM	Lunch (Provided)	Mezzanine Foyer
